## Code of Conduct

### Field Etiquette

The Toowoomba Aeromodellers Association is a non profit community based organisation dedicated to providing an outlet for aeromodellers. T.A.A. promotes charity within the community and members of T.A.A are ambassadors of the club wherever they are. We represent T.A.A and positive behaviours are strongly promoted and supported. Treat people with respect, courtesy, honesty and fairness and value the contribution of all members. However serious breaches of the code of conduct will not be tolerated. To promote a relaxed and cohesive environment for all T.A.A members we must adopt a code of conduct focusing on zero tolerance to violence, aggressive behaviour, intimidation, harassment, discrimination and bullying. Breaches to the code will have consequences and any complaints of this nature including behaviours that are prejudicial or injurious to members or the club are to be directed to the committee in writing and will be dealt with by the committee and members. Reference MOP 41 and MOP 43 for the MAAQ recommendations on these issues.

Reference to Toowoomba Aeromodellers Association Constitution (RULES) Section 8.2.3, 8.3, 21.c, 25 and 26 as adopted 1988.
